All measurements in mm.

# ENVIRONMENTAL STATEMENT

OUR MISSION FOR A SUSTAINABLE AND GREENER FUTURE

## Aluminium

Rental based parts are stored and reused. Broken parts are recycled.

## Wood

Sorted as source and if possible recycled into new material.

## Acrylics

Sorted as source.

## Carpets

Most of our carpets are reusable and washed after use. Sorted as source.

## Syntetic Textiles

Reused and sorted as source.

## Glass

Sorted as source.

## Plants

Reused or sorted as organic waste.

## Electronics

All of our electronic products are rental based. These are reused and stored. Recycled as electronic waste.
